

Funding Updates:

The Office of the City Clerk Neighborhood Council Funding Team has been holding Round Table discussions in various areas in the City. We're tackling topics of particular interest to Neighborhood Councils, and we are giving you brief presentations on the Online Portal. We have received lots of good questions and positive feedback from the participants with regards to the online portal. We will be visiting additional areas in the City in April and will also present the information at a future Board of Neighborhood Commissioners' Meeting. We'd like to thank all those who participated last week's Neighborhood Council Funding Training. We had an impressive crowd of approximately 40 attendees. If you have any additional questions regarding the training, please feel free to visit our website: clerk.lacity.org. We'd like to thank Neighborhood Empowerment's Field Team for emphasizing and holding discussions with the Neighborhood Councils regarding expending their remaining balance before the end of the fiscal year. Please be reminded that we have some deadlines coming up with respect to funding and because the NC Funding will be transitioning from the current Retail Union Bank Account to a Commercial Union Bank Account, we need to hold these dates firm.

June 1, 2017 - Last day to submit a funding request (FRF) to NC Funding;

June 7, 2017 - Last day to issue a Union Bank Account online check payment;

June 11, 2017 - Last day to use the Neighborhood Council Bank Card.
